During the State Thespians Festival, the Washington Thespians' Facebook page will be posting 'get to know the candidates' interviews with a separate post for each STO candidate. Please answer the following questions as you would like them to appear on the Washington Thespians Facebook page. Please limit each answer to 100 words each. You may type or hand write your answers.

1. What can you bring of value to Washington Thespians as an STO? (strengths, abilities, experiences, ideas, etc.)

2. What is one thing you would like Washington Thespians to know about you?

In addition to answering these questions, you will have to attend an STO workshop at the State

Thespian Festival, prepare a 30 second speech to deliver to your fellow Thespians, and attend both morning ceremonies on the last day of festival to deliver your speech and participate in the STO election.

In the 2018-2019 year, STO will meet every other month on a weekend, attend the National Thespian Festival in August, help run the Jr. Thespian festival, help put together and facilitate at IE's, put together many of the aspects of our state festival, write the newsletter, update web pages and Facebook, and be in communication with each other and the STO adviser each month. This is all in addition to your school homework, plays, sports, music and other high school leadership activities. Please consider your time management seriously before applying for this important student board position. Travel will be required to attend meetings and events. You must have daily access to email, text message, and Facebook in order to run, and make your duties as an STO as high priority as possible.

I understand the commitment as outlined above, and give permission for my child to run for and take on a position as State Thespian Officer.
